oversaw the rescue operation involving some 400 rescuers.

The accident occurred when the workers were preparing for a shift change, officials said, which likely raised the casualty toll because there were more miners inside than usual.

Yildiz said the deaths were caused by carbon monoxide poisoning and feared the toll could end

up much higher than the latest count of 166 workers.

He said rescue operations were hindered because the mine had not completely been cleared of gas.

Authorities say the disaster followed an explosion and fire caused by a power distribution unit.

If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. **NOTICE TO PROPERTY OWNER:** The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (714) 730-2727 or visit this Internet Web site WWW.LPSASAP.COM, using the file number assigned to this case 009168-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. **FOR SALES INFORMATION:** (714) 730-2727 Date: 5/5/2014 Date Executed: CLEAR RECON CORP.
